the things you need are:

See how easy it is to get best.

In helping our children learn, grow and perform at their full potential, everyone is united in finding the things they care about. And everyone is united in supporting classrooms and communities are engaged in supporting classrooms and the result? Teachers get the support they need. Parents and

Classw Wish sends the supplies directly to the school.

Receipt contributions are tax-deductible, and Classw Wish provides a receipt.

needed and to inspire their help.

and other potential supporters to see exactly what is needed to equip great classrooms, as easily as shopping online.

Classw Wish helps attract parents, alumni, local businesses and teachers visit the site to create a Wish List of the things they need.

Classw Wish offers a simple alternative:

on classroom materials, and it’s still not enough.

Too many dedicated teachers spend their own money.

Students explore their potential and excel.

Without the supplies teachers need to help their students learn, devastating budget cuts leave many schools without the supplies teachers need to help their students learn. We face it every day: a lack of funding and
